Make Plans Now to Attend!

Hotel Information

This year marks an exciting change of location! We will be hosting the conference at **Tan-Tar-A** Resort at the Lake of the Ozarks. The resort is offering a special room rate of \$99.00 for a standard guest room, up to \$290.00 for a two bedroom suite. For reservations, contact Tan-Tar-A at 1-800-826-8272 or on the web at www.tan-tar-a.com. Use reservation code FRMA for online registration. **Make reservations by July 19th to receive the special rates.**

Annual Meeting & Elections

The annual business meeting and elections will be held during the Saturday luncheon. Due for election this year: **President and Regions A, C, E, G, and I Directors**. The new officers will be installed during the banquet Saturday evening.

Banquet Festivities

Awards and recognitions will be made during the banquet held Saturday evening. Child care is available through the resort during the banquet. **Nominations for the Ed Vineyard Award must be made to the Awards Committee by July 16th to receive consideration.**

Registration includes training materials, breaks, lunch Friday and Saturday, and one banquet ticket. 2007-2008 annual membership in the Fire Marshals' Association of Missouri is also included in the registration price.

Continuing Education

This conference offers an exciting opportunity for fire prevention personnel from across the region to attend informative, timely training in a fun, relaxing atmosphere while earning CEU's for Inspector re-certification.

Conference Topics

A "Residential Sprinkler Summit" and Fire Prevention Round-Table Discussion will open the conference on Thursday afternoon. Several different groups and points of view will be represented.

NFPA 72 Plan Review and Special Topic's presented by Art Black. Friday's session will focus on the requirements for fire alarm systems using NFPA 72-2002 and the 2006 Edition of the International Fire Code. The Special Topic session Saturday will be based on the needs of the group. Submit seminar topics on the registration form attached.

Alternative Fire Suppression Systems presented by George Butler Associates. This session will explore alternate means to sprinkler protection such as Clean Agent Extinguishing Systems (NFPA 2001) and Watermist Systems (NFPA 750) as well as the testing of smoke control systems.

NFA Methods of Enhancing Safety Education presented by Ed Kirtley. Course content emphasizes three methods for establishing "roots" in public fire and life safety education. Participants will outline ideas and plans which they would like to apply in their organizations.
